Is the charge to which Do belongs so unwieldy as not to secure close supervision and efficiency?

10 The I. G. has sent up these proposals in reply to a reqn from Govt. It is not clear why the present strength of the city Police which was revised so recently as 1913 should not suffice for patrolling this area as well. The Administration Bh does not say if the increase asked for is absolutely necessary. The increased expenditure for the Police Deptt allowed in the Triennial Forecast has been exceeded and further additions are not financially acceptable unless when they are found to be absolutely necessary and unavoidable even after the full sanctioned strength of the Police force has been entertained.

Establishment of a police out-post at Dobspet, High ground, Bangalore City.

G 3835 3835/28.10.13 Sl.

In his letter No.3835 dated 28th October 1913 the Excise Commissioner suggested the desirability of establishing a police out post in Dobspet, High Ground, Bangalore to serve as a check to any disturbance that might be due to the arrack and toddy depots in the locality. The Inspector General of Police who was consulted in the matter considers that the opening of an out post at Dobspet with a staff of 3 sergeants and 12 constables at a cost of Rs.164 per mensem is necessary.

The Financial Department is of opinion that, if absolutely necessary the establishment may be sanctioned from 1st July 1917 as no reappropriation has been suggested and no budget provision exists therefor.

I think that the establishment is necessary and that it may be sanctioned from 1st July 1917.

Sir,

In continuation of my letter No. 4201/527 dated the 8/10th instant, regarding the opening of an Out-post at Dobbspet in Bangalore City, I have the honor to state that prior to the Investigating Centre Scheme, there was a police station at Mahal Upparhalli with an allocation of one Head constable, 2 Sergeants and 10 constables. This Station was abolished, for husbanding the then resourses to suit the Investigating Centre Scheme.

2. As it is, even without any out-post or station, a few constables are being told off, as a special case in view of the importance of the locality as will be adverted to hereafter, for duty, near the liquor shops in Dobbspet, in addition to the ordinary beats. With a view to strengthen and improve such defective beat and patrol systems here as elsewhere, I had proposed, after deep deliberation and looking for a head, in my letter No. C. 56 dated the 10th March 1913, to augment the Bangalore City Police Force, considering its needs in all

aspects and for all the different localities, by increasing the number of constabulary from 292 to 380, with the requisite proportionate number of Officers to superintend. But it was then considered, for various reasons, not feasible to add to the numerical strength and decided to try the effect of an all round increase of a rupee each to the existing constabulary.

3. We have consequently been going on practically with the same Force as had been sanctioned 19 years ago, as best as we can; and the one rupee increase has had no appreciable effect, for various economic conditions of the times, vacancies continuing to exist and recruits being hard to find.

4. Dobbspet is more or less peopled by the low class servants of the residents in High Ground and the neighbourhood, and its proximity to the Palace renders it more important and incumbent to make adequate police arrangements there. As the question of shifting the settlement was under the consideration of the Municipality, the idea of opening a permanent out-post had been deferred.

5. The present establishment of the City is hardly able to spare any portion of such an adequate Force for the out-post, and I therefore consider, in common with the Deputy Commissioner, that an extra establishment of at least 3 Sergeants and 12 constables, costing in all Rs164/- per mensem or Rs1,968 per annum, as per proposition statement herewith submitted; is needed, which may be provided for in the next year's Budget. Provision has been made for only three classes of constables, none being in the last class on Rs8/-, as we are still in the same difficulty as of old in securing men for the Police on Rs8/- in the Cities. A sum of Rs5/- for hose rent is also included, as there is no Government building available for the out-post, and we have to rent a

small building for the purpose.

To

Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

With reference to your letter No.J.354/Police. 124-13-4 dated 28th July 1916, calling for certain information regarding the establishment of an Out-post at Dobbspet, High ground, Bangalore, I have the honor to state that the Deputy Commissioner, Bangalore District reports that Dobbspet is situated within the limits of the High ground Police Station and is three furlongs to the North of it, that its area is two square miles with a population of 6,000, and that as regards the number of crime, the High ground range station stands 6th in rank in the City as noted in the margin, the average number of crimes for the past three years being 29.

2. Considering the importance of the locality close to Residency and so many important institutions, the opening of an Out-post at Dobbspet with a staff as proposed in my letter No.4401/564 dated 21st February 1916 is I consider very necessary and I request that you may be so good as to obtain the early sanction of Government to the said proposal.

I have the honor to be, sir,
Your most obedient servant,

Inspector General of Police.
